

DRONES WITH CAMERAS

Holy Stone HS110D FPV RC Drone with 720P HD Camera Live Video 120° Wide-Angle WiFi Quadcopter with Altitude Hold Headless Mode 3D Flips RTF with Modular Battery, Color Black

Prise: \$129.99

FOV 120° 720P HD FPV CAMERA: This high-quality camera captures memorable moments. See the world through the eyes of a bird on your phone.

ALTITUDE HOLD: It allows the rc quadcopter to suspend in mid-air even with your hands off the joystick, for hands-free hovering. Easy, stable flight experience makes this a perfect drone for beginners, kids, starters, newbies, etc.

HEADLESS MODE: Orientation of the drone is in relation to the pilot, easier to control and fly back when the drone is out of sight, you'll have total control for a straightforward flying experience.

MODULAR BATTERY AND CAMERA: The 3.7V 1000mAh high capacity battery can support a longer flying time; the modularized design of battery and camera offers more convenience and safety. PLEASE CHARGE WITH ORIGINAL CHARGING CABLE FOR SAFETY.

MOBILE CONTROL: Operate the drone through an APP in a smart phone to activate multiple functions. Operate the camera function and flight in the APP interface.

Holy Stone HS230 RC Racing FPV Drone with 120° FOV 720P HD Camera Live Video 45Km/h High Speed Wind Resistance Quadcopter with 5.8G LCD Screen Real Time Transmitter Includes Bonus Battery

Prise: \$103.99

5.8G FPV REAL TIME TRANSMISSION: Due to the 5.8GHz Analog Signal and 2.4GHz operating frequency, the live video can be transmitted quite fluently and quickly. You can watch the video on the LCD Screen and record or take photos with stable signal and far transmission distance.

120° WIDE-ANGLE 720P HD MODULAR CAMERA: Equipped with the advanced camera, you can record and take beautiful, high definition and memorable videos and pictures at a special angle. Modular camera is easy to install and move.

HIGH SPEED RACING DRONE: Not For Beginners. Powerful motors installed for quick acceleration; the highest speed can reach 45km/h within seconds No Auto Hovering.

HEADLESS MODE AND 3D FLIP: Making flying easier and no worry about drone direction when flying. The drone can entertain you with its powerful 3D Rolls by pressing only one button. Bring more happiness to you.

MODULAR BONUS BATTERIES: There are 2 powerful modular batteries with 2 USB charging cables for the HS230 racing drone and 1 strong battery with 1 charging cable for the transmitter. You can enjoy longer flying time.
